**CUB SCOUT LEADERS' POW-WOW**

# **CUBSTRUCTION**

We've assembled a crew of **All-Star** instructors from around New Jersey to bring you the absolute best in Program enhancement, targeting all levels of Cubbing, from the newest Tiger Den Leader through to the most experienced Webelos II Leader...from Den Chief to Cubmaster and beyond...

The **Cubstruction** Pow-Wow will be held at the North Hunterdon Regional High School, just south of the intersection of Interstate 78 and State H'way 31, in Annandale, NJ. Registration starts at 8:00 am

**We have a fantastic line-up of courses, classes, workshops and roundtables, led by some of the best, most-experienced trainers in the state, as well as a number of exciting Guest Speakers you won't want to miss, including:**

**Dr. Michael Asher, Behavior Therapy Associates, Somerset, NJ** who will be presenting Meeting the AD/HD Challenge: Sharpening your Intervention Skills and Coping with Children Displaying Defiant Behavior. (Is there any Scout unit where this isn't a concern?)

**Dr. George Scott, Director of Student Services, South Brunswick Regional School District,** who will be presenting a seminar on Preventing Teen Suicide. (Teen depression and similar behaviors begins at Cub Scout age...can you recognize the signs? Would you know what to do if you did?)

**Dave Lyons, Commissioner, Southern New Jersey Council** and author of the monthly publication **BALOO'S BUGLE**, presenting, in his own supercharged way: Using National's Monthly Cub Scout Themes. (Take this class and you will never be "stuck" for a program idea again...ever?)
